Business On The Weekends (BOW)

Business on the weekends is a networking event supporting a tighter bond in our community. We host potential new members to introduce themselves as well as those who have been successful in their career and business for everyone to learn from.

Visit our website & social media for more info

Create A Strong & Resilient Kauai

To promote, advance and stimulate interest and participation in business, industry, trade, and commerce on the island of Kauai, particularly among persons of Filipino ancestry and to broaden opportunities for them; to advocate public improvements conducive to progressive business, industry, trade, education, and commerce; to encourage the enactment of reasonable laws that promote a favorable atmosphere for business, industry, trade, and commerce.

Annual Scholarship Program

We support our youth to pursue their education ambitions. We offer scholarships to High schools graduates and the Kauai Community College students annually with funds raised from our golf tournament.
